### **CAREER OBJECTIVE**

As I believe that art is a life long process, I aim to constantly challenge and hone my personal artistic skill through my career. I also aspire to contribute creatively to my company through the conceptualization process.

### **WORK and RELATED EXPERIENCE**

- 2009            Completed a solo short film "A Bottled Promise" for Emily Carr University's final year project. Responsible from story conceptualization, production to post production.
- 2008            Collaborated with other 6 Emily Carr University Animation students and made an animated video for the Camosun Bog Restoration Group.  
Responsible in project management, animatics, animation and compositing in After Effects Pro.
- 2004            Freelance for Imaginary Friends' Studio for a joint comic project with Alias Comics: Lullaby.  
Responsible in creating 4 fully coloured comic pages with a given script.
- 2004 - 2006    Full time Character Designer in Scrawl Studios. Key Character Designer in Nanoboy.  
Responsible for character designs, turnarounds, model sheets, expressions and poses.
- 2003            Freelance for Peach Blossom Media.  
Responsible for character designs and colour tests.
- 2003            Intern for 3 months in Peach Blossom Media.  
Responsible in general concept art, character and prop designs.

## **EDUCATION**

- 2006 - 2009 Bachelor of Media Arts (Emily Carr University, Canada)
- 2001 - 2004 Diploma of Digital Media Design with Merit (Nanyang Polytechnic, Singapore)

## **ACHIEVEMENTS and AWARDS**

- 2009 "A Bottled Promise" was selected and screened in the following festivals: Montreal World Film Festival, Atlantic Film Festival and Chicago International Children's Film Festival.
- 2008 Illustration selected for Street Fighter contest held by UDON entertainment. Illustration is printed in the newly published Street Fighter Tribute art book.
- 2006 Recipient of Media Development Authority of Singapore Media Education's Scholarship.
- 2004 Recipient of Mediacorp's Bronze Medal in Diploma in Digital Media Design in Nanyang Polytechnic, Singapore.

## **SPECIALIZED SKILLS**

Character Design  
Illustration  
Animation  
Storyboarding  
Layout  
Concept Art

## **SOFTWARE**

Adobe Photoshop CS2  
Macromedia Flash 8  
Adobe After Effects CS3
